

WORK SUMMARY

WASHINGTON DEPARTMENT OF FISH AND WILDLIFE – OCEAN SAMPLING PROGRAM

The reviewers were charged to review the report entitled “Washington Department of Fish and Wildlife – Ocean Sampling Program,” and provide comments and suggestions on the survey program. The report describes a data collection program for collecting total ocean recreational fishery effort and catch by boat type, port, catch area, and trip type.

The reviewers’ comments were transmitted electronically in a report format.

The reviewers signed a “Non-Conflict of Interest Disclosure” stating that the Contractor does not have any conflict that would prevent an objective review of this report.
